

**ASQPE****CERTIFICATE OF CONSTANCY  
OF PERFORMANCES****No. 1683 - CPR - 0033**

(English translation, the original version is in French)

**ELASTOMERIC STRUCTURAL BEARINGS****Certificate of constancy of performances issued by the Notified Body :  
ASQPE**

Identification Number : 1683

Address : ASQPE 1 rue Gaston Boissier 75724 Paris Cedex 15

**Manufacturer : CACESA**Address : Polígono industrial San Sebastián C/Lomo, 2  
E-28950 Moraleja de Enmedio - Madrid (Spain)**Manufacturing plant: CACESA**Address : Polígono industrial San Sebastián C/Lomo, 2  
E-28950 Moraleja de Enmedio - Madrid (Spain)**Certified Products : Elastomeric Structural Bearings**

In compliance with Regulation 305/2011/UE of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), it has been stated that :

the elastomeric laminated structural bearings "type E", composed either of natural rubber with G modulus equal to 0,9 Mpa or of natural rubber with G modulus equal to 0,9 Mpa with a polychloroprene cover, with internal steel reinforcing plates qualified S235JRG2 (EN 10025) and an outer steel plate bonded by vulcanisation to the elastomer and with a PTFE sheet recessed in the steel, for a minimal operating temperature of -40° C and with a static rotation capacity on the base of the eccentric loading test, produced by :

**the Company « Caucho Celular del Centro, S.A. » (CACESA)**

have been submitted to the initial type-testing and that the manufacturer performs the continuous surveillance of the factory production in accordance with the requirements of Annex ZA of the standard EN 1337-3 concerning structural bearings according to system 1 « critical use ».

The Notified Body ASQPE has realized the initial inspection of the factory and has controlled the factory production continuous survey. This certificate attests that the initial type-tests realized on the structural bearings coming from the "Moraleja de Enmedio" factory production has satisfied the conditions laid down in the harmonised technical specifications of the standards EN 1337-3.

This certificate was first issued on 4 January 2016 and, except withdrawal or suspension, remains valid as long as the conditions laid down in the reference technical specifications or the manufacturing conditions of the factory or the FPC itself are not modified significantly.

Updated and issued in Paris, on 01/10/2019

the ASQPE President
